

**OKLAHOMA STATE UNIVERSITY  
COLLEGE OF ENGINEERING, ARCHITECTURE, AND TECHNOLOGY  
SCHOOL OF INDUSTRIAL ENGINEERING AND MANAGEMENT**

School of Industrial Engineering and Management is seeking talented and motivated candidates for one tenure track position. This position will support B.S., M.S., and Ph.D. programs in industrial engineering and management, and the interdisciplinary M.S. degree program in engineering and technology management at both the Stillwater and Tulsa campuses.

The candidate is expected to complement the School's current research and education thrusts ([www.okstate.edu/ceat/iem](http://www.okstate.edu/ceat/iem)). Current faculty interests are in the areas of quality management/engineering, manufacturing processes and systems, supply chain management, energy management, engineering management, service systems, enterprise modeling and design, optimization, stochastic modeling, and simulation. Applicants with exceptional credentials in all areas related to industrial engineering will be considered.

Candidates with research experience in service science, complex large/nano scale systems, sustainability (e.g. energy conservation, bio-based energy, and green technologies), healthcare and financial engineering are desirable. Preference will be given to candidates with a strong methodological background and research/curricular contributions to one or more of the above areas.

Candidates must have a Ph.D. in engineering or a related discipline. Performance expectations include leadership and creativity in undergraduate and graduate instruction, funded research, scholarship, and professional service. Appointment level and salary will be commensurate with qualifications and accomplishments. Evaluation of applications begins February 1, 2008; however, applications will be accepted and considered until the position is filled.

Interested applicants should send a curriculum vitae and list of three references to William Kolarik, Ph.D., P.E.; Professor and Head; School of Industrial Engineering and Management; 322 Engineering North; Oklahoma State University; Stillwater, OK 74078.

Oklahoma State University is an affirmative action, equal opportunity employer.
