

What is the Osher Lifelong Learning Institute?

OLLI @ OSU is a program of educational courses for people who want to enrich their lives through new learning experiences and the sharing of ideas, opinions, and talents. Courses on a variety of topics are offered each semester to retirees and other adults in the community. Instructors are qualified volunteers who have a broad knowledge in a particular area of study and want both to share their knowledge and interact with others interested in the same area.

Sponsored by the Osher Lifelong Learning Institute and the OSU College of Education, OLLI @ OSU is also supported by the OSU Emeriti Association. OLLI is governed by an Executive Committee elected by the membership. Members may attend classes and social events and recommend instructors and topics offered. Member fees and support from the Osher Foundation fund OLLI @ OSU operating costs.
