# How are we doing?

Talent Search would like to know how we're doing. In order to provide the best possible service to our students and schools, we need to know what you believe we are doing well and what you would like to see us provide that we currently do not.

At the bottom of this form you will find a few questions. Please take the time to complete them and return them to our office. The answers may be mailed, faxed, or emailed for your convenience. There is also a form that can be submitted online at [www.okstate.edu/financialaid/TRIO/TalentSearch](http://www.okstate.edu/financialaid/TRIO/TalentSearch).

We would also like to know of any successes you have seen as a direct result of your student's participation in Talent Search.

If you have any questions, please contact our office and speak to our director, Lori Wieder. You may also email her at [lori.wieder@okstate.edu](mailto:lori.wieder@okstate.edu).

Thank you for your participation in our program as well as in this survey.
