- If your suspension was due to exceeding the maximum number of hours to complete your degree, you **must include the Remaining Hours Required for Degree Completion Form**, completed and signed by your advisor. If you have other academic work that is not reflected on your OSU transcript, you must provide a transcript from those other institutions. Appeals will not be considered until all required forms have been submitted.

If you possess supporting documentation and choose not to submit it, your appeal may be denied due to lack of documentation. OSU ensures the privacy and safeguarding of all financial aid information submitted.

Tuition Scholarship Appeals: I fully understand that the tuition scholarship programs do not have a probationary period. If this appeal is granted it does not constitute a permanent waiver of my scholarship renewal criteria for future years. I also understand that this appeal process has no impact on my college or departmental scholarships.

Financial Aid Appeals: I fully understand that, should this appeal be granted, I may be placed on financial aid probation with the receipt of financial aid for subsequent semesters contingent upon my academic performance during the probationary period.

By signing this document, I am certifying that everything I have stated is true. In addition, the documentation included is accurate to the best of my knowledge. Should the committee find anything provided in support of my appeal to be inaccurate, I understand that my appeal will be denied.
