Federal regulations require that we count all veterans educational benefits you may receive as a financial resource when determining your eligibility for federal student aid. Before we can process your financial aid application, we need documentation of any benefits you are receiving for the 2006-2007 school year as a result of membership in the National Guard. **No determination of federal aid eligibility will be made until all requested documents are received.**

- I HAVE** signed a 6-year National Guard Contract making me eligible for Chapter 1606 Veterans monthly educational benefits. **By signing this form, you agree that you will provide documentation of Chapter 1606 benefits, as described below.**
- I HAVE NOT** signed a 6-year National Guard Contract. By signing this form, you agree that if, in the future, you do sign a 6-year National Guard Contract, it will be your responsibility to inform the OSU Office of Scholarships and Financial Aid in writing of this action. You also agree to submit verification of Chapter 1606 monthly educational benefits as outlined below, and understand that receipt of these benefits might cause an adjustment to your federal student financial aid eligibility.
