Evidence of Insurability Instructions

1. This Evidence of Insurability (EOI) form should already have your Employer's Name and the Group Number(s) preprinted on it. If this is not the case, check with your Benefits Person regarding your plan's Group Number. We cannot process your request for coverage without your Group Number.

2. If you are applying for Life coverage, your Benefits Person should indicate your current amount, the total amount you are requesting (including your current amount and any guaranteed amount, if applicable) and the amount that needs to be medically underwritten on the EOI form or should give you instructions regarding what these amounts should be. **If you have a question regarding the amount that requires underwriting, please contact your Benefits Person in your Human Resources Department.**

   IMPORTANT:

   The **"amount to be underwritten"** is the dollar amount of coverage for which you or your dependents must show **proof of good health**. This "underwritten" amount should **not** include any coverage you or your dependents may already have in force through this plan or any coverage that can be obtained through this plan without providing evidence of insurability. If the amount to be underwritten is incorrectly stated on your EOI form, you or your spouse may be asked to have an exam, blood profile or EKG that might otherwise not be necessary. **Note:** If there is **no** current coverage in force, state **"0"** in that column. Current, total and underwritten amounts need only be indicated on this EOI form for the family members who are applying for coverage at this time. **If not applying, the amounts in these columns can be left blank.**

3. Make sure that you give us all of the requested information. Answer all questions. Sign and date both sides of the Evidence Form at the bottom. Failure to do so may result in having your Evidence Form returned to you for completion and will definitely delay processing time for your request.

4. Complete **both sides** of the Evidence Form.

5. Indicate the **full names** and **complete mailing addresses** of the physicians listed. Attach an additional sheet, if necessary. Complete mailing addresses will greatly reduce processing delays.

6. **Make and keep a copy of both sides of the Evidence Form for your records.**

7. Read the "ReliaStar Life Insurance Company Insurance Information Practices Notice" (on the other side of these instructions) and keep it for your reference.

8. After completing your Evidence Form, **follow the instructions given to you by your Benefits Person**. They may request that you return your completed Evidence Form to your HR department or send it to your plan's Third Party Administrator, if applicable, or mail your Evidence Form directly to ReliaStar at the address on the **top right corner** of the Evidence of Insurability Form.

9. For general questions regarding completing this form or for checking the status of your underwriting once the EOI form has been submitted to ReliaStar, please call Medical Underwriting at (612) 342-7262. However, **you must contact your Benefits Department if you have a question regarding amounts**. Medical Underwriting does not have information concerning the amounts that should be indicated on your EOI form.

Any person who, with intent to defraud or knowing that he is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud.
