**GUIDELINES FOR PETITIONS**  
**TO DROP A COURSE or WITHDRAW FROM ALL COURSES**  
**AFTER THE DEADLINE**

A student may be allowed to drop one or more courses after the 12<sup>th</sup> week in a regular semester or the 6<sup>th</sup> week of an eight week session (or proportionate periods for block or short courses) or withdraw from all courses on or after the beginning of "Pre-Finals Week" (or proportionate periods in summer or shorter terms) under the following or similar conditions:

- [1] Written verification from a recognized professional (e.g., physician) that the student was physically prevented from dropping or withdrawing due to illness, injury, or personal emergency of the student or a member of the immediate family.
- [2] Written verification from an appropriate representative or publication of the University proving that the student was given misinformation as to the correct deadline for dropping a course or withdrawing from the university.
- [3] Written verification from the instructor(s) of record that the student never attended the class(es).
- [4] Documented circumstances beyond the student's control that have arisen after the deadline.

Reasons as given above or similar reasons should be documented to the extent possible. The key questions in determining whether to approve the drop after the deadline are (1) did the circumstances described change or arise after the deadline, and (2) why do the circumstances described affect only the course requested to be dropped.

Reasons listed below will not result in approval for dropping a course or withdrawing from all courses after the deadline:

- [1] Student's lack of knowledge or misunderstanding of the deadline.
- [2] Student waited to get the results of an exam or other assignment.
- [3] Student's grades have declined since the deadline.
- [4] Student doesn't need the course for graduation.
- [5] Different deadlines existed at a previous school.

The maximum time period for requesting to drop a course or withdraw from all courses after the deadline is no later than four months after the date the grade for the course is officially due in the Registrar's Office, or six weeks after the student begins a new semester, whichever comes first.

**The decision of the committee is final. Members of the committee have full authority to act on the petitions as representatives of faculty and administration. No appeal exists for the decision of the committee. (Policy 2-0206)**
