Agricultural Student Council has asked you to design a flier for a food drive. Items collected will go to the Love Feast, Stillwater’s weekday-evening meal for homeless and “anyone who needs it.” You can decide when and where the food drive will take place.

Please answer the following questions:

What is the purpose of the flier?

Who is the audience? (Please be specific — age, education level, race, gender, etc.)

Describe appropriate fonts and graphics that could be used in the flier.

Where and how would you distribute the flier?

Create two thumbnail sketches for the flier and attach to this assignment sheet.
